## WELCOME TO BEACHSIDE ACTIVITIES CLUB

**Beachside Activities Club (BAC)** is a Bay of Plenty based company providing holiday programmes for kids aged 5-14 years old. We are composed of well-experienced and trained surfers, educators, snowboarders, skaters, lifeguards, sports instructors, and care givers to give our participants the safest and most exciting experience possible.

**BAC** is a place where children, safely, flourish among great beaches, activities and staff. Flourish means to be strong and healthy or to grow well, especially because conditions are right. We aim to produce the "right" conditions so that children can thrive while participating in healthy outdoor activities.

During our summer holiday program - **BAC2SURF** - kids can choose from surfing, boxing, body-boarding, snorkeling, beachsoccer, flag-rugby, and several other activities. We operate on the beach at **Mount Maunganui Beach** (next to Leisure island) from January 11th - 28th, Monday - Friday, 9am-3pm (excluding stats). We also use the facilities at the Mount Maunganui Hot Salt Water Pools for after care and non-ideal weather conditions.

In addition **BAC** believes in a non-structured environment where kids can freely move from one activity to another and are encouraged to try different things each day. Consequently, we group our participants by activity and not by age.

### We will Provide and Promote:

- A safe place for kids
- Fitness and wellbeing
- A wide range of activities that appeal to children
- An environment where kids and staff flourish together
- Opportunities for kids to learn and excel in various activities
- Positive reinforcement to enable kids to build their self esteem and confidence in their abilities

### Staff:

**BAC's** instructors are composed of well-experienced and trained surfers, educators, snowboarders, skaters, lifeguards, sports instructors, and care givers to give our participants the safest and most exciting experience possible. Our instructors adhere to strict standards or conduct so that they can be the best role models for your children.

**BAC** will also perform police checks on each staff member and is very selective during the hiring process.
